“ *Mrs. Sellers was a wonderful lady who was my neighbor for 26 years. We always spoke in passing as she was always kind enough to stop to chat if she was headed home & I was outside. She was always aware of her surroundings & if something wasn't right, she didn't hesitate to call. She is now with Mr. Sellers & I'm sure they are rejoicing. She will be greatly missed.*

Mike I just found out. I tried to call her to say hello and the phone didn't work. I am heartbroken! I will miss that sweet lady! Do you know if her cats are ok? Are you caring for them?

“ I am so sorry for your loss. We became friends when I worked at the bank and got to know her through Mrs. Caruso. She was a sweet lady. We kept in contact after I left the bank. She will be missed by all who knew her.

“ Aunt Hazel didn't have grandchildren of her own, but she knew how to love on ours. Yes, when Hazel came through the door, you knew there would be a box of Krispy Kremes in hand! Also, sending cookbooks in the mail when she found out our children enjoyed cooking, birthday cards (which always included a dollar bill), and love and care for all of our family. She and George had a loving 56 years of marriage and I admire the strong and independent woman she continued to be in the 9 years after his death. You will be deeply missed, Aunt Hazel. So thankful that you and George are united once again in glory!

“ I would like to offer my deepest condolences to the family. I hope the scripture at John 11:11, where the Bible likens death to a peaceful sleep can provide some comfort at this time.

“ Aunt Hazel used to take me to get ice cream on my birthday. We would watch the clock for my time of birth and celebrate! Last Thanksgiving, she brought donuts to all of her great nieces and nephews. They loved them! Aunt Hazel will be missed, but now she is with Uncle George in heaven. Trina Pippin Lawrence (niece)
