“ Scott, I was so saddened to hear of the loss of your Mom. You & I went to grammar school & high school together. Your Mom was such a terrific lady & full of life. Always had a smile on her face. No doubt she is entertaining the good Lord right now with jokes and cart-wheels. My prayers are with you.

“ *I remember Helen visiting my Grandparents in Wrightsville and the love and the special place they had for her and Liz. I, too, felt that love for her.*
Also, I remember her on her visits getting on the floor with me and my brother and teaching us as we were one of her students. She taught me the best way to do situps at a very young age.
With love -

“ Mrs. McComb taught me PE and I became a PE teacher,too. I loved talking to and seeing her when she walked past Lake Park. I just saw her 2 weeeks ago at Phoebe and we had a great conversation. She was my mentor. I even told a story to parents every year at Lake Park about her and her reasons for teaching "sex education" to girls. She said she just wanted to make a difference in some girl's life that didn't have the opportunity to receive the information correctly. I'm sure she did and that is always what I strived to do,too. She was a wonderful person. I'll miss her and her smile. Susan Geeslin
