“ *Helene was a very gracious lady. I was proud to know her through the years at Albany High, while attending college in Atlanta, and at our meeting at subsequent Class of '53 Reunions through the years.*

We will all miss Helene at our future Class of '53 gatherings, but merely think of her being away on "personal business" which may include the planning of future class reunions. And Helene will have so much to tell us all, when we meet again.

“ Whenever my wife and I weren't at church, we knew Miss Lee would call to check on us! She really made you feel better about yourself even when you were trying to cheer her up. She was a good person and her sweetness and genuineness will be missed.

“ *I am profoundly shocked and saddened by Helene's passing-I was not aware her condition had returned. We saw each other at our class reunion this past summer and she looked beautiful as always. My condolences to all of her family. Helene was a very dear friend and a part of our "little group" in high school. Every time I returned to Albany she would be there with others to welcome me.*
