“Marilyn and I truly saddened to learn of Dean's passing. He was always a pleasure to serve when I was with the Albany Herald. Janet, you are in our thoughts and prayers. I will never forget that Dean made it possible for my Cub Scouts to camp out on Pineland Plantation when our son was 10 years old. Dean was a fine man and a goof friend.

“My name is Calvin Ormerod - I worked for the American Red Cross at 1515 Dawson Rd from February 2005 until December 2014 - I worked the night shift receiving blood products and dispersing them to the various hospitals in the area. Dean would come by almost every night of the week to check out the building, and at many times would clean up a lot of the rooms; but, mostly Dean would tell us stories about life (his and Janet's), histories about Georgia, especially his home town of Milledgeville, which I believe he missed and know that he loved. Dean loved to "cut-up" with many of us and especially the blood drive guys - we kidded each other quite a bit. I believe our Supervisor, Mr. Shawn Lynch, from Savannah, truly enjoyed the times he came to visit Albany as he would meet Dean and I on the nights he was in town to check on our production, etc. - he would listen intently to the many stories Dean would tell about Georgia (Shawn was from upper New York, so Georgia was a mystery to him until he met Dean) and other places he spoke about. 1515 Dawson Rd will not be the same without Dean Robbins - I personally will miss him a lot - I'm sure he'll be waiting for you, Janet, with his evening grocery list and your order to pick up something for dinner on his way home from the Red Cross site. God Bless you all! With love, Calvin Ormerod
