“ Our family is so very sad that Neil passed away. We have lived next door to him for a number of years and he was always so much fun to talk to. I will miss seeing him walking Rosie in the afternoons. Neil had a sweet soul and we will miss him greatly.

“ I just want to express my sympathy to Neil's family. He was such a great person. He was always smiling and it was a blessing to have known him. When I first went to work at P&G he worked in the packing area next to me, and he always helped out when he could see I needed some help. A great friend. May God give you all the strength you need in this time of loss. If there is anything I can do, just let me know. (Jan has my phone number.)
