“ *Hill was a dear friend, and I'll always remember his interest in golfers, and especially golfers younger than he was. He was truly interested in helping younger golfers and was a credit to the amateur sport of golf. I played many "rounds" of golf with Hill and always enjoyed being with him. He was a very good golfer and a real gentleman! We have lost a good friend and I miss his wit & humor. I,m SURE he is in a "better place" now, with the Lord !!!*
