“ *My sisters and I all worked at Johnson's for Mr. Hollis and Mr. Harry (Deborah (Douglas) Varner, Cheryl Douglas, Shirley (Douglas) Soderlund, and Pamela (Douglas) Zoellick) at various times. We loved them and their children and remember those times with great affection. At a younger age, I rode my bike to Johnson's to buy grocery items for my Mom. Mr. Hollis, we love you and will always remember you and your family's kindness to the Douglas family!*

“ Not one person that ever lived in the Sylvandale area was not touched by Hollis Johnson and his brother Harry. Johnson's Foodland was "family friendly" the safe store to ride your bike to. A meeting place for neighbors and kids alike and if you were one of the lucky kids, you got a job as a bag boy when you were old enough. Mr. Hollis was famous for the lunches he made, that was a plus to being a bag boy or cashier.So many generations.....including three in my family. My prayers are for all of the "Johnson's Foodland Families". May our memories of Mr. Hollis serve us well.

To the Johnson family, may the comfort of God help you through this difficult time. May there be comfort in knowing that someone so special will never be forgotten.
