“ *Daddy, it is hard to believe that you are no longer here for me to talk to. I miss our evening phone chats the most. I know that God has you safe and warm in His arms and that mamma is right there beside you. I love and miss you very much and know that once my job here on earth is done that I can see you and mamma again. Much love always, Lynda*

“ *Just wanted to say that you are missed by all, and that you will forever be in our thoughts and prayers. I will never forget you or Mrs. Shiflett, because at least once a year we will have May 8. I will try to continue what you have done here on this earth, but most of all I will take the best of care of the family that you have left behind. With all my love and respect, I will carry on and see you in the future.*
