“ *I am glad that the Lord let me have a wonderful and dear uncle like him. He was more of a Father to me than the one I had. I know he suffered but he still enjoyed life and his family. Sorry I can not be with you but you and the boys are in my prayer. Maybe one day we can talk about this.*

*Love all,

“ I know you wish Mr. Howard had been in good health for a long time and know his suffering of the last few months is over. I am sorry I did not get to know him well as he was to 'supervise' George with the house on 3rd Ave. Please accept my sincerest sympathy to all the family. Let me know if there is anything I can do.

“ I am very sorry to hear about Mr. Howard. You both were very special to our family and we considered you part of our family. I know you will miss him but, he is walking the streets of gold with my daddy and reminiscing about old times without any pain and suffering. We love you.
