“ *I began working for Mr. Barnard at Lilliston Corporation in 1972. He was my first real "boss" and what a wonderful experience it was. He always had a great sense of humor and enjoyed playing little jokes on all of us. I will always have fond memories of him. Your family is in my thoughts and prayers.*

“ *Howard was a wonderful man and will be missed by so many people! I also enjoyed his jokes and picking at the McIntosh Circle. He and Laura touched my life and my family in some many ways. I will always be grateful for our friendship. I know he is singing "In the Garden" now and enjoying God's rewards. Please know the family is in our prayers. Much love- Lydia, Chris and Andrew Hubert*

“ Howard is in that Heavenly Massion built for him. We first met during his days at Cudahy Packing Co. Our path has crossed several times. I remember Howard with his rake on Second Avenue fighting the leaves. Laura, my prayers are with each of you and God Bless.

“ I worked with Howard at Lilliston Corporation for a number of years. He was such fun to be with. He had such a great sense of humor. He took a personal interest in my family and in later years we were in church together at Covenant. My prayers go out to Laura and his children. He certainly will be missed and he made such a good impression on my life.
