“ *I mostly know Howard through my friendship with his daughter Anissa in Atlanta. I was privileged to meet him and his wife, Rachel, at their cabin one weekend. I truly enjoyed putting faces to names and was honored to have met them both. I know that they both liked the outdoors so I lit a green candle for him in honor of that. I also shared a virtual gift. I couldn't find anything to do with fishing so I decided to share a Bible. Howard had a strong faith and fellowship with God that he shared with his wife Rachel, so I thought the Bible would represent that. I send my blessings and prayers to his family and friends.*

*Blessings,
