“ *Our thoughts and prayers are with you, the family of our friend, Joe WG4JOE. I first met Joe about 10 yrs ago when he was working here in Americus. He went out of his way to bring me an article from Albany. For this I was grateful. I enjoyed talking with him many times on Amateur Radio and hearing about his days as an on the air personality at one of the local radio stations way back in the early days. His knowledge and love of music was great. He will certainly be missed....*

“ I would like to extend my condolences to Pam and family. I moved to Albany at the end of summer 2010. I met Joe through the ham radio club here in Albany. Joe let us use his back yard for our annual ham radio field day two years ago. It was very hospitable of him and we all enjoyed good times together. I will miss those times along with the Sat. morning breakfast's at Pearlys. My thoughts and prayers are with your family for it is hard to loose someone dear. May he rest in peace.
