“ To Larry's family I went to school with Larry and you could not ask for a better friend. In Larry's years of service his character shined though. Everyone can be proud of who Larry was and for the family he raised R.I.P. Larry fair winds and safe travels for the Good Lord has a place for you

My heart is broken. Larry was a great guy and was the real person who kept Game Country running. I wish I could have done more to get things back open sooner. Godspeed Larry.
