“ *It was a priviledge and a pleasure to have had Hugh as a neighbor and as a dear friend.He was a "one of a kind" and the world will be a far more sadder and less friendly place with him not in it. We will miss you terribly, Hugh!*

“ *Sybil, our thoughts and prayers are with you. We are saddened by Hugh's death and our fondest memories include the two of you when Clark and I had our first date, after church at Byne Memorial. Mom would not have let me go if you and Hugh had not been there. That was more than 54 years ago and the beginning of our life together. Thank you.*

“ *I am so sorry for your loss. I met Mr. Belcher last year when I moved in across the street. He came over and welcomed me to the neighborhood. It was such a wonderful gesture that really made me feel at home. I didn't know Mr. Belcher but, I'm sure that he must have been a very caring individual and will be sorely missed. I pray you will have peace.*

“ I am so sorry for your loss. Your loss is our loss too. I was a 1982 graduate of WHS. I had many fond memories of Mr. Belcher, from going to the mall and purchasing him tobacco to him naming me Lemon Lips over a stolen jacket of mine. He always knew me when he saw me no matter where. God has yet another angel with a wonderful smile.

There are not enough words to describe our love for Hugh. We have so many wonderful memories of our years as neighbors on the creek. The meals we shared, the time together with each other and our families forever hold warm memories. We are the lucky ones to have known and been influenced by him. We are keeping you in our prayers during this time.

“ Susan, I am so sorry to hear about your dad. I lost mom June 8th of this year to cancer. It is hard, but just take one day at a time. God will give you the strength you need. It's o.k. to cry. I talk about my mom with my boys and with other people. Landon is so young, that I want to be sure that he keeps her alive. We talk about all of the funny things that mom did. Please call me if you need to talk. You and your family will be in my prayers.

“ I am sorry to hear of your loss. Mr. Belcher was one of my school administrators that I liked and admired most. He somehow kept us kids in line all the while showing the utmost compassion yet still commanding and deserving the deepest respect. His lifelong dedication to education should be remembered each time one of his students has an accomplishment - his footprint compounds exponentially in the world around us.
