“ I grew up with Chris and Mr Hugh. One of my fondest yet painful memories of him was when Mr Hugh would deal out punishment for Chris and I if we did wrong. Mr Hugh loved to challenge both Chris and I to a boxing match....both of us at the same time. Many of you know, Mr Hugh had quite the reach and could generate some serious swinging force against some rowdy kids with those like long arms. He never meant any harm and I learned to defend myself from those “lessons”. Thank you Mr Hugh. You were a good hardworking man and great neighbor.
