“ *Imanell was a great neighbor to us when my family lived on Sportsman Club Road. BC would often bring fish to my family that he'd caught. Jim and Marlene Mc Mullen, Imanell and BC, Cliff and Joanne made that the most wonderful neighborhood ever. I even got to walk with Mrs. Gable a few times and she said it made her feel safe. God bless your soul Mrs. Gable and hallelujah I'll see you in the rapture.(peace in the valley) My sincerest prayers are with the family and the Holy Spirit is our comfort. “ A Celebration of Life, that is almost all that needs to be said about Imanell; she celebrated everyday. She was full of spirit and laughter; loved her family. The funny things she did in the courthouse, like coming out of the bathroom in her majorette outfit she wore in highschool; Judge Kelley just looked at her and said nothing; making a cake for April Fool's day; beautiful green icing (made with Crisco), breaking her leg when she fell down the stairs to the deed room.....a funny story that not everyone knows; things like that. I could go on and on. I am blessed to have worked with and for Imanell; her family is in our thoughts and prayers.

“ *Imanell, as she insisted on being called instead of Mrs. Gable, was a tremendous blessing to work with, and her distinctive signature on the license to practice law hanging in my office reminds me of her beautiful character almost daily. She was certainly a southern lady, knew how to handle any and every judge or lawyer she came in contact with and always maintained great dignity and composure through every situation.
