“ *It was ages ago when our families would get together at the home place in Morgan GA for family reunion of all the many Cheney cousins.*

I was young but I enjoyed the colorful personalities, the affection & the lively interactions of the adults and children. Sad to see the last of the oldest generation to pass. They now are stored in our memories.

My heart is with your family.

Your NC cousin and the youngest of Ruth Cheney Hogshead (your parents' youngest aunt)...Judy
