“ *When I was 16 years old,I won the city championship in Putt-Putt . I thought that was exciting,but shortly thereafter,my aunt Irene took me to play REAL GOLF at Radium Springs Golf Course.It was a sunny and beautiful day and the first time I had ever played on a real golf course. She was very helpful at club selection and a very good golfer herself.I will never forget her smiling face that day as we golfed.She was a very,very special aunt. That day will always be a special memory to me.*

“ Irene was one of the most beautiful people I've ever known. I've been close friends with her daughter, Lisa, for many years, so I was with Irene on many a lot and she was always a bright smiling spirit with a gently soul. her love for her family was boundless and she enjoyed sharing her wonderful artistic talents with her friends and family alike. Irene will be missed throughout the community and will never be forgotten. she will live in my heart forever.

“ I worked with Ms. Irene at Howard, Ventulett & Bishop in the mid 90's. She was such a sweet lady and always in a good mood. I am sorry for your loss and will be praying for your family. I still have a hand painted shell that she made for me in 1994.
