“ *Well, I got through Thanksgiving watching my dad's favorite Charlie Brown and I'll get through Christmas. I don't know how I'm going to do for New Year's day (my birthday). My dad and I had this thing where I would ask him if he was going to wish me happy birthday and he would laugh at me and say go away gutter baby. I hope I can make it okay.*

“ It's been a month today since my Dad died. Still trying to pick up the phone to call him when silly things happen or come to mind. That's okay. He's probably up in heaven making some of those things happen just because! LOL

“ My dad was so silly! He loved to scare his children and would deliberately do things to make us cuss. Like scrubbing his socked feet on the carpet then shocking us or flying down the street then slamming on breaks. My heart knows he's gone...but my mind refuses to. I keep saying I need to call him to tell him things. I miss you so much daddy! I love you!!
