“ *To the Waller Family: I am writing to offer my deepest sympathy to you and your family for the loss of your dear mother. A few years ago I too lost my mother and know the pain and sorrow that it caused. It is sad to lose a loved one, especially when you looked forward to spending a lifetime with them and sharing their memories along the way. To endure this time of grief do just that, remember the many times of joy that you shared together because this along with fellowship of other family, and friends will help you endure this time. I am comforted by knowing that our heavenly Father does not leave us without help. Prayer and meditation on his words can help us to endure too. I especially was comforted by the resurrection hope that Jesus described to his disciples at John chapter 11. Before he resurrected Lazarus he told his sister Martha that he was the 'resurrection and life. (John 11:25) May you find comfort in knowing that when this day comes you too will be able to welcome your dear mother back to life and enjoy a wonderful future where there will be no more sickness or death. (Revelation 21:4)*

“ I'm very sorry to hear about the death of Mrs. Waller. Please accept my condolences. I know that this must be a hard thing to go through. I hope you have the support of your friends and family. Also, 2 Corinthians 1:3&4 tells us that God is the "God of all comfort". So you can always turn to Jehovah God for comfort and support.

“ To Iverlene's Family - I was sorry to hear of your sweet Mother's passing. She was a wonderful woman. I only knew Iverlene for a few years, She was on my bowling team or should I say I was on her's. LOL! I really enjoyed the times we spent together on Tuesday Afternoons bowling. She enjoyed her bowling, until she had that stroke at the end of one of the seasons. & she wasn't the same after that. She tried to bowl with us the next season, but kept forgetting it, even when I'd call her to remind her that it was bowling day. I will surely miss her. May God Bless you all. Love, Carol Inlow
