“ My mother and I were truly saddened to hear of Mr. Wilbur's passing. We have so many precious memories of our family's involvement with SJ Curry Co. and Alcon Associates. Mr. Wilbur's legacy will live on. All over the state is evidence of Mr. Wilbur's hard work and dedication. I always knew when I saw him I would see a smile, compassion and happiness. To the family, I know you will miss him but again just look around. and you will see his hard work that is there for generations to enjoy.

“ Nannette, Keith and Twilla,  
I am so sorry for your loss of a loving husband, father and grandfather. As you know Wilbur and I started our friendship and business relationship nearly forty years ago when I started work with Alcon right out of high school just as Wilbur did. I can honestly say that I have never known a more honest and dedicated man who was instrumental in teaching me what it takes to survive in the business world. Through his leadership I feel I became a better person and will never forget our relationship. Please know that our thoughts and prayers are with you and your family during this difficult time.
