“ *Grace:*
So sorry to read about JK and his sudden passing. I thought a great deal of JK and wish I'd had more opportunity to talk with him about his WW II combat experiences. I admired his attitude of postponing your wedding until after he had come back from WW II.

Again my condolences.

“ I find the words difficult to find in describing my relationship with Mr. J.K.
I had the pleasure of meeting Mr. J.K. many years ago and our friendship has been my pleasure and will continue in my memories.
We have shared many moments of laughter, told stories of all sorts and all the while truly enjoyed one another's company. For me he will be thoroughly missed for a friend such as he is hard to replace.
God Bless.

“ Dear Grace and Family, we are deeply saddened by J.K.'s death. A beautiful light has gone out of the world. His friendship and encouragement was always such a blessing in our lives. He was a wonderful Christian friend and mentor. In this time of sorrow, remember that Heaven's joy is eternal. I know that Marion is rejoicing with J.K. in his heavenly homecoming. On one of their last visits J.K. told Marion that he wouldn't be far behind him. We can take comfort in knowing that one day we will join them. May God bless and strengthen you day by day. I know our tender Lord will supply all your needs. Psalm 46:1-2 God is our refuge and strength, a very present help in trouble. Therefore, we will not fear. Love,
Janie and Family
