“ *I would like to say Mr. Barrett was a humble man. Every time I went to him at the bank in Albany he was just as helpful as before. I enjoyed working with him as an employ of the bank. He was very knowledgeable about anything I asked about. We never discussed his time in the Navy. I myself am former Navy. May you always have great memories of this great man. I thank God for letting me get to know him. May the Lord Bless and keep you all.*
