“ Dona, Jackie, and Jeffery,
My heart goes out to you. You are in my thoughts and prayers. Jack Mitchell was a special man. He greeted everyone with a smile. We had not seen each other much in our adult years but just the thought of him would bring a smile and the thought of my joking cousin trying to play a trick on me or one of my brothers. He sure had a gift for making those around him laugh and be happy. I am sure he is rejoicing today with all the loved ones he has surrounding him now.

“ My sincere sympathy to the Mitchell family. I am a co-worker of Jackie's. I know after working with her these past couple of years how important her family is to her. I also know that she is going to miss (as will I) the opposing political banter between her and her dad. My happy thoughts and prayers are with you all.
