“ *Jack was a better fighter than Jack Dempsey. No one could have taken as much pain and kept coming back into 'the ring'. My deepest sympathy and admiration to Mrs. Juanita who was his devoted coach!*

“ *My thoughts and prayers are with Jack's family. I attended Albany High School with him. I now live in Michigan. Thanks to computers, I am able to keep up with what is happening in Georgia. Take care and God comfort you during this time.*

“ I feel so blessed to have known both Keith and Jack, as well as their parents. They personified loving kindness. I knew Jack for a short while before our paths diverged, but I have heard much of him since, all of it inspirational.

Mrs. White, I am so sorry for your loss.

Love,
Bonnie

“ Dear Juanita, The purple ribbon that hangs at a chapel door honoring Jack has brought many comments from members. All have the deepest admiration for what he accomplished. His determination and will to go on was an inspiration to so many members. We were fortunate to have him here. He will be missed and remembered.

Take care and know that we are here for you.

“ I met Jack when I started going to the YMCA in the mornings. He was always there pumping away on the stairmaster. I would usually get on the one next to him and we would chat about politics, cars, movies, etc. He also told me a little about his own life which I listened to with big ears because it was so interesting and nothing like I had lived. I will miss Jack. He always spoke to me and everyone that entered the Y. Amy Jones

“ I will miss Jack. I got to know him from a business perspective many years ago, and then got to know him better later at the YMCA where together we would try to share the world's problems. I also remember seeing him frequently joggin down Palmyra years ago. He had a big heart and I am glad he shared that fine trait with all of us.
