“ Jackie was a special lady. Her love for Christ, family, friends, and those she met on the way that God touched through her life that she was never aware of, we are blessed. Tommy we will remember you and your loved ones and your loss in our prayers.

“ Dear Family & Kennedy,
Mrs. Jackie came into our lives right after opening the consignment store in Lee Co.
Mrs. Jackie always came in to check on us girls, she always gave us such a feeling of love and support.
She will be greatly missed, we feel so sad for your lost, but have comfort in knowing she is not suffering any more. For she is in heaven with our dear saviour, and we all will see her again soon.
Kennedy, your grandmother was very proud of you, she always put your well being and happiness first!
I'll never forget her words of wisdom and of praise. I loved her very much and will always remember that special touch she made in my life.
Please take care and may God Always watch over you and your family.
