“ Carol, you as your family are in my heart. I've been thinking of you all so much lately even before I read about his passing. I have such good memories of you two back when we all bowled with mom and dad. We had such good times and have missed seeing you too! I'm still working and would love to hear from you , and when you are up to it, I'll come visit if that's ok? Thinking of you with Love and fondness, Pat Ashcraft
