“ I watched you being born. I saw the absolute joy you brought into my sister's and your daddy's lives. I spent your first birthday with you in St. Simons, and you were so happy. I hadn't seen you since, but I watched you grow in pictures. I talked to your mommy almost every day about all of things you were climbing on and getting into. Words cannot express how much our family loves you - how much your parents adore you. This is going to be a long road, and none of us will ever be the same. But, I know in my heart that you are in a better place - a perfect soul who will live in our hearts and minds forever. I love you, little guy.
