“ Jacob,
I remember how your face would light up when you heard mom's voice during our physical therapy sessions. You always had such a great smile for mom, and sometimes, when I was lucky, for me! I will remember you as a sweet little boy who tried so hard to be brave. You are in my heart forever,
Love,

“ Dear Hughes Family,

I am a friend of Karol & Mitch Harrison, and Karol shared your precious family with us this evening. I just wanted to send you my love and say how sorry I am to have heard - Not for dear Jacob who is safe and now well with Jesus, but I am so sorry that you must endure this painful separation for a time. May God strengthen you & give you His peace & comfort as you journey on, toward that great reunion day.
Revelation 21:3-5 is a promise we can hold on to and count on, from our God! Hold fast to it!

Love in Christ,

“ *Greg and Patricia,
We are praying and thinking of you during this time. We can't imagine what you are going through, but we do love each of you and Jacob will be missed by so many. Our hearts ache with yours, but we continue to pray that God will bless you all and continue to strengthen you. Jacob is in the wonderful hands of Jesus and that brings joy to my heart as I think of that. We love you and may God bless you during this time.*
