“ *I remember as a young boy spending time on the Martin farm when my day and Mr Gus would hunt all day and then we would have the best bar-b-que and Miss Laura's stew. So Jackie and I grew up together and Bill Bowling were in the same high school class. I am now living in a senior facility in Atlanta at age 89. Thinking of all of y'all!!!*

“ Bruce and I enjoyed have many memories of Jackie and Bill when Bruce worked for him. WE always loved being with them because they both made us feel so special and like we were one of the family. They were both good to us. Jackie always made things right if anything seemed to go wrong in life. She was a jewel. Our prayers are with the family. Much love to all!!!

I wrote previously a nice tribute to Jackie. Sorry I must not have pushed the enter button. Jackie & Bill Bowling & family were our neighbors when we were married & moved to Albany from Valdosta. We had one baby girl at the time. Loved being their neighbor & friend. Love their daughters too, all 3 of them. The Bowling family was the best of the best. So sorry for your loss, Vicki, Laura, & Suzanne, but I know where your parents are, and they are in a good place. Know you will miss them. Hugs & prayers!

“ Dear Vicki, Laura, and Suzanne & family, I loved your mom when I met her and your special dad Bill as next door neighbors. Danny & I were newlyweds with a new baby girl. Glad I got to live beside such a wonderful family. Sorry I broke one of your Mama's dishes once after borrowing it for a party. It might have been an antique, so it was not replaceable. I apologized and always felt bad about that. Thanks to Suzanne for coming to my rescue as a teenager, when I had a grease fire, and burned up my kitchen & burnt myself. Suzanne was the person who told me I was injured. I was in shock. Anyway, I always loved all of you, and even though your mama was 90, I know you still were not ready for her to go. I will be praying for all of you tomorrow & afterwards. God Bless! Kathy Beverly

“ To Vicki and Suzanne, I'm so sorry to hear of the loss of your sweet mom. I have such fond memories of her from the years we lived just two houses away from you when you were both very young (I think Suzanne was only 3 when we met.) I hope you are comforted by the love and prayers of all of us as you go through these difficult days ahead. God bless you all.
