“ To The Family of Mrs. Jacqueline ChaMy name is Annette. I would like to express my deepest sympathy to each of you.

Although we are not acquainted with one another, we are acquainted with the pain when our loved ones fall asleep in death.

At Matthew 6:10 Jesus taught us to pray for God's Kingdom to come here upon the earth as it is in the heavens.

The fact that the the heavens is peaceful, no sickness, death, etc. is surely a place where we would like to be. So when we pray for these conditions to come on the earth, we are asking God to restore the earth back to its original condition when he created the first Man and Woman.

That Kingdom will be a reality here on the earth.

The Scriptures promises that the day is soon to come in which death will be no more and that Almighty God Jehovah will wipe away the tears of sorrow from our eyes forever. (Revelation 21:3-5)

He promises too that your loved ones, my loved ones and many others will hear his voice and come out of the memorial tombs (graves) to live in heaven-like conditions right here on the earth. (John 5:28,29; Psalms 37:29)

“ Oh what fun we had working together at Albany Warehouse Co. So much learning together and very much laughter. I will always treasure our shopping trips and the lunch hours sharing our most private thoughts. Bunny taught me many things, the most important thing being, I am an equal to everyone and to stand up for myself. She was a strong person when she was well and equally strong when she was ill. Upon ending our last conversation our last words to each other was "I love you, see you later". Rest in peace, dear friend, you will be missed.

“ I last spoke to Bunny around Easter. How she loved her family - husband Jimmy, children Chip and Fran and their spouses and her grandchildren. Indeed, one of her greatest pleasures in recent years has been watching her grandchildren grow up. Bunny (as she was known to the Edwards family) planned to stay on earth as long as she could, but said that she was readying for God's call home due to her illness. Jimmy, Chip, Fran and families . . . May God surround you with loving memories to comfort you.

“ The only words I can think of are that she is no longer in pain. She was a real trooper and fought the battle courageously. Your hearts are breaking, especially at this time of year. You were going to think about her every Mother's Day, so now you definitely will. I am so sorry for your loss and the grandchildren's loss. She enjoyed them for a while and loved them so much. I am sure she has become their "angel" already.
