“ *We were so sorry to hear of Jackie's passing. Although we had not seen her in a long time, we always remembered her with affection. She placed an angel statue at Riverside Cemetery that we see each week when we go there. and each time we saww it, we thought of her.*

“ I am sorry to learn of the loss of your daughter, sister, mother, and grandmother. I grew up down the street from Jackie and her family. She was a lovely free spirit that can truly soar now. Jackie has always reminded me of Elizabeth Taylor. I will be thinking of you in the days ahead.

“ It saddens me to see Ms. Jackie has passed on. When I lived in O.B, Hines many years ago she was my apartment manager. I remember seeing this short lady with the most beautiful eyes and when she spoke I admired the courseness of her voice. Ms. Jackie had a beautiful and sweet spirit and made it living in public housing very easy for me. I was very young then but she looked out for me as if she was a second mom. When my husband proposed to me, she was one of the first person I told. She said you must bring me an invitation, I did, it made me feel good because she posted it on the board to share with everyone. She may have a pint size woman but she stood tall and bold in what she believed in. God bless you Ms. Jackie sleep well.
