“ *Pat,*

I am so sorry to learn of your loss. Our paths haven't crossed much since our days working in the Dougherty County School System and our families (S.B. & Ruby) have thinned out over the years. Please know that I am thinking of you during this time and will remember you in my prayers.

“ Words cannot express our sadness losing our dear friend Terry. So many memories of the 43 years of friendship that will remain forever in our hearts. We will smile just remembering his love for life, friends and his family. If you had Terry's friendship you knew it and were blessed just to be around him. Even when he knew he was "on the back nine" of life, his positive spirit saw him through difficult days. Our love to Pat, Kelley and family and prayers for His comfort for you all. Rest in peace "Bull".....we were proud to call you friend. Bob and Carol

“ May God Bless you and your family. He will be missed and thought-of nearly everyday in some fashion. He has to be in a **BETTER PLACE** than we are. Your family has been a part of our family for many years. Linda Gore and the rest of Loys & Audrey Bass family.

“ When we think of Terry we think first of the words "smile" and "fun". Our paths would cross from time to time over the years and he had not changed at all from the good times at Pelham. Blessings to all of his family.

“ Terry was in Troop 52 with me, the mill ground troop. I also attended the East Pelham Baptist Church with him. I never knew Terry to have a bad word about anyone. We lost touch after school in 1965. Sorry to hear of his passing.

Terry was such a likeable fellow. I enjoyed knowing him through the years at Pelham High School. He always put a smile on your face. My prayers are for you as you adjust to life here on earth without "Tex" (as I knew him).

“ You are in our thoughts and prayers, and are sending up extra prayers that God will hold you close during this time. We are going to miss "the jeep man" as we so frequently referred to him as. This was before we could remember Terry's name, and we saw him often through the years pass in his white jeep and the huge wave of his hand. He always had a smile and checked on "Mrs. Carol" every time we saw him.

“ Keeping the Bullard Family in our prayers. Mr. Terri & Mrs. Pat were neighbors of my great grandmother and we recently moved to the neighborhood and they welcomed us with open arms. We will miss seeing Mr. Terri's big smile and wave on our daily walk. -The Englishs
