“ I worked with Jim at Layne Atlantic Company in Albany. He was a hard worker that truly cared about the quality of our finished product. Our customers would request Jim by name knowing their pump would be installed correctly and service the community for many years to come.

“ Mr Carroll was a friend, mentor, role model and like a father to me. He taught me what true Christian love is about. He lived it. He touched more lives than any of us will ever know! God bless him! He's home now with Mrs Carroll.

“ Rickey David, Rhonda and family so sorry to hear about passing of Mr. Jim. I worked as Sasser Town Clerk and Mr. Jim always such a blessing to talk to and work with, while he served as Mayor. Loved spending time with him and Ms. Agnes. He always shared Ms. Agnes cakes and other goodies. After he no longer was Mayor, he was still there whenever I needed anything. We spent time talking about our Lord and Savior and how He met our every need. I know Mr. Jim and Ms. Agnes are rejoicing and singing praises at Jesus feet. Praying God will give you the Strength and Grace you need at this time! Just know you have a wonderful Dad. Prayers for all.

“ *Mr. Carroll faithfully attended our group church meetings for singles. He always walked up to the table with food and asked what I made. Then he would say how good it was, It sounds so simple but I will miss his sweet disposition and kind words.*

“ *Dad loved his Sasser and Albany area friends. He spoke of you often and always with kind words. His generosity and helpfulness was his way of showing just how much he appreciated everything you did for him and especially the comfort you gave him after the loss of his wife Agnes. My brother and I had great comfort in knowing that he was surrounded my such special people. I cannot thank each of you enough. Our Dad treated his life just like he treated a project, he worked on it until it was completed and done right. Please do not morn his passing it is truly a celebration of life, a life which continues. He is waiting for us all so that he may greet us at the doors of paradise. God needed a repairman in Heaven and our Dad was the man for the job. Rickey Carroll. 🙏👤❤️*
