“ *I only found out yesterday about Jimmy, through a mutual friend. I remember when I first started going to Dougherty High, I was terribly homesick for my old school. Jimmy was one of the people who helped cheer me up and adjust to my new life. Had a blast in band with him. He has such a great sense of humor. We kept up with each other on and off after high school. I'm just so sad to hear of his passing. 51 is just too darn young!!! Please accept my prayers and condolences.*

“ I got to know Jimmy through his wife. He was a quiet person to me till we got to talking. I enjoyed the times I had with him. I was crushed when all his medical problems started. I ask myself why should a man of this type have all the problems. He was good and will be missed. I send my prayers and thoughts to the family. I know he is up there with Lord making music for the angels.

I agree with you Smitty, he was a gentle kind sweet soul, he sung at my wedding Pat and Curt Rhodes!

“ Dear Dale and Ray, I was saddened to learn of Jimmy's passing. His genuine faith and enthusiasm for the Lord was inspiring and encouraging. I wish that the Lord would have granted him more days to assemble with the Lord's body at Thomasville church of Christ. I will never forget him. My deepest sympathy for your loss.
Sincerely, Sandra Hennessey
