“ Brannon & Family,
Sorry & saddened to learn of Morris' passing. I haven't seen him in a number of years, but I recall many chats we had when you & Mark played football from the little guys days thru high school & in the "shop". Morris was a good fellow & yes, he loved old cars! Take care.

“ As has been said, “Don't put off until tomorrow what should be done today, for tomorrow may be to late.” I've said numerous times when in Albany that I wanted to stop by and see Morris. When I heard he had closed up and was not doing well, I wanted to stop by his home and sadly, I now wish I had. I have fond memories of my dad and his dad and he and I doing business together for years. My prayers for Marilyn and the family.

“ *Morris was my favorite uncle. He was such a joker. I remember many great times when I was a kid when he and I poked at each other. The never knew at the time how much that part of my childhood would mean to me today. I hope he gets to see my mom, Joan. She always loved him too.*

My thoughts are with his family. Much love goes out to y'all as you lay him to rest.
