“ So sorry to hear about Mr. Jimmy's passing. He was always one of my very favorite people at Central. He had a love for people and it definitely showed. I remember several times when at the hospital with family members that Mr. Jimmy was sitting there right beside us in the waiting room. I remember his stories of growing up in the "big city" of Ty Ty. I saw him every Sunday as he and Mrs. Anna were usually on the next row back. Wish we lived closer and we would be there with you today remembering this special man. Please know that you are in our thoughts and prayers.

“ So sorry to read of Mr. Jimmy's passing, but I know he is being welcomed into Heaven by many family, friends and Jesus, his Lord and Savior. I remember walking through the doors at Central Baptist for the first time, and Mr. Jimmy was the first person we met. What a smiling face he had, he went on to become a dear Brother in the family of God. My thoughts and prayers are with you Anna, that God will surround you with His amazing love and give you strength and peace. Until we meet again, Mike and Gwen

“ One of the kindest men I have ever known! Jimmy was normally the first one to the hospital to visit or the first one in a home when someone had a death in the family. Always had a smile, kind word or a joke. Central Baptist Church will never be the same without Jimmy at the door. I know the doors of heaven flew wide open to greet Jimmy on Saturday, as he has greeted so many people into God's house, and I can hear God say, "We'll done thou good and faithful servant!" Our prayers are with sweet Mrs Anna and her family.

“ I will always remember Uncle Jimmy smiling, laughing and singing his Gospel music. Boy he could sing. He loved my Aunt Anna and he loved his children and grand-children. We had so many good times when we were young and going to see our cousins at Tifton was something we always looked forward to. There were many, many great memories made during our child-hood and they were great memories that I will always cherish. I love you Uncle Jimmy, you will be missed but you are now resting in God's arms and you will never suffer anymore.

“ Mr. Jimmy was a constant source of laughter and joy. He used to call my daughter "Butter Bean Johnson" and she called him "Butterball." He never failed to help a friend in need. He and Mr Bill Powell replaced the sewage pipes at my home. He was the true embodiment of love.
