“ *I miss my best friend every time I talk or message with my other friends from Albany Georgia. We go back as far as elementary school but our bonds became strongest at Dougherty High school. We've been together ever since and I feel grateful to have such loyal and fun friends. I called Jim 'Jeremiah' Johnson because of his beard, his toughness and his reticence. He was a man of few words with a big heart. He was always there for me and I'll never forget him. See ya on the other side my friend.*
