“ *Shirley and Family,*

I am so sorry for you loss and only God can comfort you at this time. Jim was a outstanding person, so kind to all, and fun to be around. I will never forget how sweet he was to my grand baby at a Thanksgiving dinner in our office. He let her play on his computer and even encouraged her to hit all the keys. He will be missed!

“ Jim will always be remember for his loyalty, sense of humor, kindness and generouse nature. I worked with Jim from the beginning of my MC career until his retirement.

Many years of seeing Jim when his heath was good, bad and through the many fators going on in his personnel life with his health, he never seem to let it show if he could or to get the best of him.

He always spoke of his loving family and I will keep them in my prayers as he goes home to be with God.

With my respects to his family, friends and all that know him, he will be missed dearly!

As I keep his family in my prayers, I pray God's strength to be with you all,

“ Jim and I had crossed paths many times while we were working at the Marine Corps Logistics Base. When I retired at the end of last year, I made my rounds and he was one that I definitely wanted to say good by to. He always had a smile and friendly word for me. He had helped me many times working Product Quality Deficiency Reports. My prayers go out to the family at this time of sorrow and I know he is in a better place. We will all meet again, Jim just went a little sooner and will be awaiting our arrival. May Jim rest in piece until we meed again. God Bless and protect the family.
