I have known Keith since high school and Dothan Alabama. One day he showed up at my place of employment and recognized each other in our friendship went right back to where it was 10 years before Keith is a very good friend. He's a very kind person and funny. He wasn't perfect, but he loved his kids and his wife Dawn and talked about them all the time all I wish Keith I know that if I ever ever needed anything, I could call him rest in peace buddy. praying for peace and comfort for all that knew Keith. Say hi to Andrew and my daddy for me. May you rest in peace
