“ *Russell and Patsy kept children in their home in the early '70's and my son was one. All the children loved her. She let them lie on hers and Russell's bed to watch TV in the afternoon before going home. Patsy said she was going to have to keep them off the bed. Russell would go to bed at night and the kids had gotten sand all in there. He was so good natured and never gave her a hard time about it. I fondly remember both of them.
