“ Dear Jeff, Karen, Aunt Hazel, Wanda And Donnie, I Know all to well the pain and sorrow that you are going threwh right now. It does sadden me for people that I know and love to go through such a terrible loss. I would like to share two things with you that someone shared with me when Mama died. It makes going alot easier when you have someone waiting on you. And God knows we are crazy people who do crazy things, and we need someone to watch over us, so he got Uncle Jimmy. Because he knew he would keep us straight. All my LOVE Kenna.
