“ Jim - you were the best! The love of life from a nautical point is something that only you could have taught me in the depths that you did. The "Jim Bouy" name will live on each and every time I start the boat we shared. You were my brother, my friend, and the man that drove me to be the person I am today. Thank you!! Please know you will always be in the hearts of me and my family for the rest of our lives. My children thought of you as an Uncle, and my Mom as a son. Please take care of my dad up there as he loved you too during his life. You were and always be a part of our family. Now find that ocean and cruise it! "Sail On Sailer, Sail On"
