“ JILLIAN, I LOVE YOU!!! I am so sorry you are having to go through this at such a young age. We all know he had gotten very sick the last few years and relationships were strained, but I love your daddy. He helped to raise me and my life wouldn't be the same without the store and seeing him walk through the house all of those nights in his underwear and socks!!! And besides if it weren't for him I would not have my best friend!!! I LOVE YOU and am praying that God gives you the strength to get through this and only remember all of the good times we all had!!! LOVE YOU!

“ Teri & Traci,
I have so many wonderful memories of the times our families spent together. The football games and beach trips were so much fun. At such a sad time, it was still great spending time with you over the past few days. You will remain in my prayers in the days to come. If I can help you in any way, please let me know.
