“ *I am very saddened as I just learned that Mr Powell had passed away when I called 'Freeway Motors' to speak with him. Mr Powell was always friendly, courteous, and caring as he always was helpful with my Automotive needs. I'll always remember how he could inject 'humor' in any conversation. He was most loyal and dedicated to his work and spoke of his family often.*

My daughter and I will miss him dearly. I hope Mr Powell is up in Heaven smiling and his work is done here on Earth.

“ I just read about the passing of James. I have not been in touch with him in 8 years. I work with him at Pritchett, and he always made me laugh. I will miss him. I will keep the family in my prayers.

“ I've known James my entire life. We became close friends when I moved back to Leesburg in 1978. We had many good times together and I will always look back on those times with laughter and smiles, as you all know, James had that infectious laugh. If a person didn't like Powell, that's what I called him, something was wrong with you. He was the best salesman that Southwest Ga has ever known. May he rest in peace and my sincere condolences go to the family.

“ My heart was broken when I found out today that James had left earth for eternity. The last conversation I had with him was about Jesus. That was several years ago. It reminds me how short life is. I look forward to seeing him and laughing with him again in Heaven. I ask God to touch the family, especially his boys whom he loved so much.
Blessings,

“ I had only worked with JP for about 6 weeks. In that time he became a very close friend to me. He was like a father to me. I will never forget his jokes and his caring ways. Freeway in Moultrie will never be the same without him. I praise God for having the chance to meet someone as special as "JP"

“ James was a good friend to me in middle and high school. We did not cross paths much as adults but when we did it was always a pleasure. James came to visit Dad several times when he was sick and Dad always enjoyed seeing him. I will sure miss James, 52 is ENTIRELY to early to be leaving this life.

“ My prays are with James's family. I went to high school with James and it sadded me to hear of his passing. James was a good and kind young boy back at Lee County High School. I was the game wardens daughter so I use to get teased all the time by him. We were all close then and did alot together. May the grace of God be with the Powell family and tears of joy will be replaced with tears of saddness.
