“ *The good they die young. Grew up listening to Black Oak. Saw them in concert in Memphis at the Memorial Stadium. They appeared with 3 Dog Night and Buddy Miles. Black Oak took the show. May you rest well in heaven above. Who knows maybe it will look like the Ozarks.*

“ Ken, I am so sorry that we did not get to have that many years knowing each other, but for the years that we did, I am truly thankful. I loved you from the moment I met you, as you did me. We just bonded immediately! I realized that you and I are so very much alike that it is almost scary. We have the same mannerisms, musical talent, even the same problems with our joints and limbs. When I found out that I had two brothers, and a sister, I could hardly wait to meet you guys, and when I did, it was an awesome moment for me - one that I will never forget. You, Karl and Kimberly became my new ready-made family and you all made me feel so special! I will always remember you for your generosity and your big heart... My grandchildren loved the pony that you gave them. I will never forget the looks on their faces that Christmas morning when we rode out to the farm and they realized that Santa had left them a pony for Christmas! They LOVED Chief! WOW! What a memory! I love you, my brother, and I am going to miss you sorely, especially I am going to miss those long phone calls where you would call me and play and sing to me the songs that you had written. You were SO talented!! May you rest in peace and bask in God's beautiful kingdom. Just think, all of your pain and suffering is a thing of the past. What an awesome God! I love you, Ken.
Your Loving Big Sis,

“ My sincerest sympathy goes out to Karl and the family. I have fond memories of our Little League days through high school. Thanks to Ken for originating the "po boy shuffle". May he dance and sing on.

“ To the family of Ken. I'm so sorry to hear of his passing. But Jesus called him home. He will be sadly missed. I'm sorry that I'm kin of Ken and lost contact. Izen I love You and wish I could be there for you. But you know how it is with me.
