“ *We send our love and sympathy to all of you at this time. We are grateful that Uncle Randolph is with the Lord and not suffering in any way. We remember him as a wonderful friend, ready to listen or help anyone. I, Jerrilee, am so grateful for all his visits to the Northwest. He and my mom would always enjoy talking about their lives with all their brothers and sisters on their farm. He will be greatly missed. Love, Jerrilee and Stan Gustafson*

“ Dear Dena & family,  
We are deeply saddened at the death of Uncle Randolph. We hold fond memories of his trips to Woodstock, especially visiting in your home when the boys were young.  
We will all miss him and each of us holds his/her own memories. I always enjoyed learning about the Walden family past & present. Uncle Randolph always had a story to tell. May God be with you all and comfort you in your loss. Hugs & Love,  
Kathy & Jim
