“Daddy,
Thank you for all you've provided us with.
We will take care of momma. Me, Sheila and Billy will carry on as well. We have traveled as a family from Georgia, North Dakota, Michigan and back home to Georgia with so many memories. Sports, homemade ice skating rinks to camping (old style), fishing (we hated those trips) and just family reunions. Sheila splitting her head open in the basement in Michigan. Probably why I hate the color green. Me learning how to throw data left handed (resulting in it landing in Billys thigh). Billy giving us a ride on a pink Barbie corvette. Those are a few things we will forever remember. Thank you for your service to our country. You deserved better when you came home. We hope you enjoy your New House. Save a room for all of us. We are only one breath away.

Love and miss you and your beautiful blue eyes.

GOD BLESS YOU,

Your favorite daughter and her sister, and the litte sweet boy..
