“ *I regret so much that I am just hearing of Mr. Pee Wee's passing. Miss Gail, Patty and Johnny: Please know that he was a special man to so many people. Every memory that I have had or will ever have of him will be of a huge smile on his face. Heaven shines even brighter now. I love you guys and even though I can't remember ever expressing this to him, I loved Mr. Pee Wee White for all he was.*

“ It's been a long time since I sat down and reflected on all the great memories our families made together. All the camping trips to Ft. Gaines & St. Andrews St. Park. These memories bring big smiles to my heart. I am so glad you all were a part of my childhood. I loved Pee Wee, I love you Gail, Johnny, Patti and your families. You are all in my prayers. God bless you!

“ Mrs. White,

My husband has been a framer for various contracters for years and Mr. White was always a delite to work with. We all have heard his stories thru the years about all of the family and he was always such a delightful person. He will be greatly missed by many. He always delighted in telling about his family and church.

“ Having built personal homes in Albany over the past 30 years, and using Giles Builders Supply for the majority of my materials I can testify Mr.White was the most accomodating and pleasant employee a person could ask for. He will be missed by the employees of Giles and in the community he served for so many years.

“ I was truly sadden to hear the tragic news of Mr. James White's death. I knew Mr. White through my home improvement business before moving to North Carolina. When starting up my business back in 1980, Mr. White was one of many from Giles who became the backbone of my business success. He was always willing to share his knowledge and work with me through any difficulty I might face on a job. When passing through Giles to pick up needed material, Mr. White always greeted me with a smile and a kind word. Giles Builders Supply has lost a great man and employee. But more than that, they have lost a family member. The building industry will not be the same without Mr. White and I will truly miss him on my return visits to Albany and Giles. My prayers are with Mr. White's personal family as well as his family at Giles Builders Supply. May God strengthen you in the days ahead. John Sikes
