“ *Becky
Your family was truly blessed to have your sweet Mother for so very
long. I always enjoyed seeing her usually at the grocery store when
I went into town. We always had long conversations about the past
years and when they moved to the Lake we always talked about
fishing. I missed seeing her when she moved to Fla., but I would
see Mrs Watson and she would keep up me to date.*

“ Dear Becky and Barbara,

Our love and prayers are with you both and your families in the death of your dear sweet Mama. The world is a different place when your parents are no longer in it. Jane and I were Beta Sigma Phi Sisters for about 35 years--hard to believe it was that long. She taught at Northside School while my husband was principal there. The friendship that Bill and I had with your wonderful parents enriched our lives and we held them in high esteem.

We would have been with you today but Bill is in end stage COPD and the virus makes it too dangerous for him to be around people.

*In love,
Jo Ann and Bill Bates*
